Ken Johnson/Jeff Curl win - Thriller in Shreveport!

In a hotly contested finals at All Star Lanes in Shreveport, LA, seven different teams had led or were tied for the lead at one point or another in the finals. The team of Ricky Siegfried/Greg Walters, Jr had led the most games and Ken Johnson/Jeff Curl had never led and trailed by 77 pins. They had to win by 47 or more to pass them. Two early pocket splits by Greg and a Greek Church by Ricky gave them room. Ken/Jeff never missed the pocket and grabbed the victory 244-174. A strong finish by the winners and a great comeback for Ricky, who has been out a while with surgery

and rehab. Rick Irvine got 3rd with Anthony Lavery-Spah in Rick's first tournament. He will win some. Homeboys Kenny Tynan/C.J. Thomas got 4th and Greg Snee/Brian Yoches rounded out the top five.

Thanks to Mike and Josephine Thomas and crew for being gracious hosts.

300s were bowled by six teams in the finals. Pete Thomas, Trey Field, Jack Thompson, Wayne Diver and Ryan Boroff had perfectos in the qualifying.

This weekend, we have two tournaments

at Plano Super Bowl in Plano, TX. One is for 50-59 bowlers and the other is for 60 & over. Both will use the regular singles format. Two weeks after that, we'll be in Hammond, LA at Tangi Bowl for a member/guest doubles. The following week is our member/ladies doubles back in Plano. Help STRIKE out Diabetes by bowling in this tournament. There will also be a Pro-Am, raffle drawing, silent auction on Saturday night after qualifying. Finals will be on Sunday.

Jim's Notes

The way that B squad handled the lane machine breakdown Saturday afternoon showed what class acts SASBA bowlers are. The pattern was the same, but 6 on a pair vs 4 on a pair provided a little different transition. It also proves that you have to be ready for anything when you enter a tournament. In spite of meticulous planning, crazy things can hap-

pen and those who keep their cool the best will succeed.

Jims Tip: When confronted with an unusual ball reaction, such as bigger back ends, partially created by the ball bouncing farther down the lane (delaying the roll), it's easy to get distracted and taken out of your game. I can relate to "There's no way my ball can hook that much", but...it's doing it every shot. Just believe what you see and adjust accordingly. Take a

giant step inside and see what happens. You might surprise yourself.
