

Minier wins grindout in Spring!

On a condition that demanded repetitive shotmaking and good spare shooting, Rick Minier stood in 2nd place entering the title match with Rick Lawrence... needing to win the match by 17 pins. Paul McCordic was only 6 pins behind Minier. Lawrence couldn't double and was out of the title chase quickly. McCordic and Miner both started with 6-baggers. Rick spared, then followed with a double.

Paul had two spares then a strike in the 9th. In the 10th, Rick went through the nose, but broke up the split and converted the spare. Paul needed two strikes and a 6 count to win. He got it a little high and left a 6 pin and Minier had his 17th SASBA title. Mark Williams got 4th place and Mike McHugh rounded out the top five.

Thanks to Melissa Hargrave and crew for host-

ing. The shot was demanding but fair and those who weren't sharp really struggled.

There were no 300s shot...a rare occurrence. Tony Escoyne made the finals in his first tournament.

Our next tournament is a regular singles in Tulsa, OK in two weeks. The following week, we'll be in San Antonio at Astro Bowl for a member/guest doubles.

Jim's Notes

Neptune made it. Edmond Lorts got the last spot, then rose 9 spots in the finals. Tony Houston and Troy Schanne threw it great. We had four new bowlers bowl at Spring.

Jim's Tip: How long do you take to deliver a shot after you walk on the approach? Generally, anything over 15 seconds can cause stress buildup in your muscles, as well as overthinking. More importantly, you should take the same on every shot...spares as well as strikes. This is the way to create rhythm and reduce stress. Try to do all your thinking and decision-making about the next shot in the pits...before you walk up.

Then, have the same pre-shot routine, breathing pattern, etc. before each shot.
