

Magoo, Estes, Wasson win Trio in Eules!

According to Webster's a miracle is a highly improbable or extraordinary event, development, or accomplishment. The finals at the trio event at Showplace Eules last weekend would certainly fall into that category. The team of Bob McGregor, Mark Estes and Tam Wasson tied for the last spot, but got into the finals because of more total pins. Mark already had his equipment in the car. In the first game against Gary Dickinson, Butch Calvert and Mike Lynch they trailed entering the 10th frame, but a 4-6 split by Tam seemingly ended their chances. Gary had left a 4 pin, but uncharacteristically missed it. Tam bounced the 4 out of

the pit and made the split. A strike on the fill ball gave them the win 215-214. They then beat Steve McBride, Gary James and Billy Young 237-211 and Jimmy Tyler, Blane Adkins and Phil Kepner 246-204 before facing qualifying leaders Roger West, Pat Henderson and Mark Williams. An early 4-bagger by Roger and company gave them a seemingly insurmountable lead as Magoo's team could not strike and left 7 straight single pins...all spared. A chop by Henderson in the 8th opened the door a little. Estes and Bob struck in the 8th and 9th, but Roger struck in

the 9th and Williams could shut the door with a strike. He rung a 10 pin and missed it. Tam then struck out and the miracle finish was complete 224-203. It was Bob's 37th SASBA title, Mark's 16th and Tam's 10th.

Thanks to Rusty Dickinson and crew for being gracious hosts. Once again, the shot was high scoring, but fair.

Our next tournament is a Member/Guest Doubles at Armadilla I in Pasadena, TX. The following week is The Age Bracket Event at Showplace Austin in Austin, TX.

Jim's Notes

300s were shot by Jimmy Tyler, Pete Thomas and Mark Williams. Cheeseburger shot +8 on Saturday and +329 on Sunday. What a difference a day makes. I finished...some lost side bets. We had two first-timers at Eules plus several who hadn't bowled in some time.

Jim's Tip: I've seen bowlers fall into the trap of becoming complacent early in a tournament when they aren't carrying. They rationalize and settle on "It's just not my day" or "It's just not my shot." If your A game isn't working, you should try other adjustments. But, this is hard to do if you haven't practiced them. So, when you practice, don't just work on your normal (A game) shot. Practice changing hand positions and/or ball

speeds. Combined with only a four ball arsenal, this can give you up to 16 more tools in your tool box.
