

Steve Ray, Tam Wasson, Kelly Ray - win 60/50/Guest Trio at Cowtown!

At Cowtown Bowling Palace in Fort Worth, TX, the team of Steve Ray, Tam Wasson and Kelly Ray qualified 1st, then waited to meet the survivor of the Baker-style staircase finals. The team of Willie Wells, Donald Robinson and Shawn Maldonado won three straight matches to get there. They beat Roger West, Mark Williams, Derek Williams 209-186 and then Tracy Patterson, Robert Lawrence and Thomas Patterson fell 236-202. In the penultimate match, Willie and co. snuck by T.J. Johnson, Mike McHugh and Anthony-Lavery Spahr 203-202. In the title game, Steve-Tam-Kelly opened 3 times in the first 7 frames before

striking the 8th and 9th. Willie-Don-Shawn missed two spares, but still held the lead entering the 10th. Kelly struck out for 186... forcing Shawn to get two strikes and count for the title. Shawn threw a rare pocket miss and they finished with 173. It was the 7th title for Steve and the 11th for Tam.

Thanks to Jamie Brooks and crew for hosting. The scoring conditions were high as 300s were bowled by Pete Thomas, Wells, Brian Clark, and Thomas Patterson.

Our next tournament is a member/guest doubles in Lawton, OK at Hog Pin

Bowl. It is limited to 48 teams. Don't get shut out. The 2nd weekend in Dec., we're back at Cowtown for our Annual Xmas Team Tourney and Awards Banquet. The computer picks the teams. You have to have bowled 3 tourneys in the last year to be eligible. Saturday night is our awards dinner at the bowling center. Everyone entered gets a free dinner. Guest dinners are \$12. You can send that with your \$190 entry or pay at the center, but we need to know how many are coming early that week, so the caterers can plan accordingly.

Jim's Notes

Sam Magill's team had a target on their back as they lost with 750 twice in a row. Other teams won with 560s. Such is the nature of the Swiss format and why anyone can win. We had visits from Tracy Patterson and Ronnie King from OK. They both still throw it great! Dee Munsell and A.C Adam both had lilies!

Jims Tip: On lanes with spotty heads and drying midlanes, it is sometimes difficult to get even a pearl ball to hit hard enough to carry. Unless you have an extremely high rev rate, you might want to consider a RICO drilling on a symmetrical pearl (3" pin). For average and lower rates, this layout can give you some continuation on dry midlanes and dry back ends. For most players, the breakpoint is fairly smooth as well. Most

pro shops are familiar with this layout, but contact me if you have questions about it.
