

Pete Thomas/Mike Scroggins Win Champ/Non-Champ Tourney at Cowtown!

In a finals where four different teams had held the lead at one point, the lead changed hands again in the penultimate match with the team of Mark Estes/Don Blatchford re-taking the lead from Pete Thomas/Mike Scroggins 245-203. But, only 9 pins separated them, so whoever won the match would be in front. However, Greg Benefield/Mark Calhoon were only 32 pins behind Thomas/Scroggins...in reach of the leaders. They started XXX, while Estes/Blatchford had 9/7/9/ and Thomas/Scroggins had X9/8/. At that point, it was very tight. Mike Lynch and Doug Barron were bowling Benefield/Calhoon in 4th and start-

ed hot XXXX. They finished with 258-223... knocking Greg and Mark out of 3rd. Estes/Blatchford managed a double, but a 7-10 by Blatchford and a 6-bagger by Pete and Mike ended their hopes of a title. Pete split in the 10th, but the win was secure. Jerry Beavers/Jerry Meeley rounded out the top five. It was Pete's 12th title and of course, Mike's 1st.

Thanks to Jamie Brooks, Steve Wunderlich and crew for being great hosts. The shot was high scoring...one of the highest ever. The center looked great and everybody loved the

new screens, scoring and outdoor sign.

Our next tournament is the Gary Pfeil Memorial at Brunswick Westcreek in Fort Worth, TX on April 18-19. This is a singles event and has over \$3000 added. The following week is a regular singles event at Emerald in Houston, TX.

May 16-17 is a 70/60/50/Guest four-some at Plano Super Bowl in Plano, TX. It will be the Swiss format and is limited to the first 48 teams to enter. We have 20 teams already, so don't get shut out.

Jim's Notes

300s were shot by Dave Lile, Benefield, Mike McHugh and Ron Coggins. We had 6 first-time bowlers...1 made the finals. We had 4 all non-champ teams...1 made the finals. The oldest bowler (Jerry Beavers) made it. We had bowlers from Tennessee, California, Kansas, Missouri, Alaska, Nevada, Massachusetts, Oklahoma, Texas, Louisiana and El Paso.

Jim's Tip: Do you have a loop in your swing? We all know that a straight line gravity-fed swing is the most desirable, but sometimes we develop things in our muscle memory that are hard to remove. If you have a swing with what I call a "backwards loop" (back inside and then loop outside), it's harder to get leverage on the ball at the line. A swing that comes back a little outside, then drops down inside is

what we have come to call a "figure 8" swing. This type swing makes it easier to get leverage. If you aren't sure, ask a coach to video you or ask someone with a "coach's eye". If you're bowling great with it, you might not want to change it, but if do want to change it, just be aware that it takes some effort, but can be done.
