## Out on The Twig

### Hufford, Hestand, Thomas Win Annual Trio at Cityview!

Charlie Hufford, Mo Hestand and Pete Thomas stayed near the lead most of the tournament and qualified 1<sup>st</sup>... awaiting the Baker-style stairstep survivor to bowl for the title. John Shuffler, Blane Adkins and Cliff Barnes started the finals action with a 299-217 romp over Doug Barron, Phil Kepner and Brad Hunter. Then, they outstruck Jerry Swank, Vic Benedict and Mike Allison 256-206. They then ran into trouble and lost to Bob McGregor, Mark Estes and Hank Jordan 225-202. In the title match, both teams were clean without a double thru five frames. A double in the 6<sup>th</sup> by Mo gave them the

lead. Hank responded with a double in the 8<sup>th</sup>, but Charlie and co. ran off the sheet from the 7<sup>th</sup> for a 247-206 win. It was Charlie and Pete's 9<sup>th</sup> SASBA title and the first for Mo.

Thanks to the Cityview staff for hosting the shot was high scoring and the bowl was very clean.

300s were rolled by Pete Seibel, Bob Troutt and Jerry Swank. The team of Swank, Benedict and Allison shot 826 for high team game of the tournament the 12<sup>th</sup> game of qualifying to make the show.

Our next tournament is a regular sin-

gles in Tomball at Tomball Bowl next weekend. Then, we're off until the last weekend in June, where we have a non-champions event at Brunswick Westcreek in Fort Worth. Then, July 4<sup>th</sup> weekend is one of our majors...The Firecracker at Plano Super Bowl. It's two separate tournaments in one (50-59, 60 & over) featuring two days of qualifying (Friday and Saturday) and a Match-Play Double Elimination Finals on Sunday. Half the field cashes in this one and there will be \$2000 added to the prize fund on each side.

#### Jim's Notes

We had two new members bowl for the first time. One is named James Stewart. I asked him what it was like to go thru life named "Jimmy Stewart". He responded "It's been 'A Wonderful Life'." Butch beat Mike! Gary Lost the Spurs/Thunder bet with Kathy and will have to pay up next time he bowls by wearing a Spurs jersey.

**Jims Tips:** Sometimes you can't create the ball shape your eyes are used to. The back ends are too dry or too tight. You've got over/under with all of your balls. You can hit the pocket, but can't carry. Here's my tip(s) for when this occurs. 1. Don't have a pre-existing look in mind before you start practice. Just throw some shots, move around, switch balls and be open-minded. Take note of what knocks the pins down in-

stead of what you "want" to see. 2. Practice different hand positions regularly enough so that you aren't hesitant to try one or more in the tournament when nothing else is working. 3. Free up that armswing! Don't let taps or over-reactions tighten your armswing or increase your grip pressure.
