Jim Stephens Wins 22nd SASBA Title in Denton!

At University Bowl in Denton, TX, Jim Stephens was determined to defend his title from 2013. Willie Wells started the tournament with 300-300, but by the end of the 8 game qualifying block Jim held the lead. He never relinquished the lead on Sunday and entering the title match, only had to stay within 88 pins of Willie. An early four-bagger and a split by Willie ended any suspense and Jim cruised to his 22nd title. Willie held on to 2nd, Mike Cox finished 3rd, John Servantes got 4th and Paul McCordic rounded out the top

five. Thanks to Daniel Cruz and staff for once again, being great hosts. They go all out for SASBA and Rosalinda still makes great breakfast tacos! John Sawyer made his first finals. Al Denton came back from near death (heart attack and stroke) and made the finals. Les Burnham made it from A squad. We gave out five checks to over 70 players who didn't cash...an all-time record, we believe! Sept. 13-14, we'll be in Hammond, LA

for a member/guest doubles event. 28 entries so far...room for 20 more. The following weekend, we'll be in Plano for two tournaments at once. One is 50-59 and the other is 60 & over...regular format. The last weekend in September, we'll be in San Antonio for a 67/50/ guest Trio...using the Swiss format. We have 14 teams so far...room for lots more. Let us know if you want on a team or are looking for a third?

Jim's Notes

We had five bowlers from Memphis. We also had several members bowl, who hadn't bowled in some time. Nice to see those guys back competing. Prieto did the ice bucket challenge for ALS to honor his son Brody, who passed away from ALS a few years ago. Gary Dickinson and Jesse Jackson did the honors...pouring the water. Jim's Tips: A little more on practice shots before you start. On a house shot, if you throw it perfectly and it ends up flush, you may not have learned enough information yet. In practice, it's more important to find out what happens when you miss inside or outside. If those shots end up in the pocket, then you're probably in the right place. If you have no hold on a shot inside, then you probably need to be deeper. It's easy to get fooled or suckered by a practice shot or two. Don't stay in one place, don't throw just one ball. Use the time wisely and

and learn all you can about how to play the pattern.
