### Pete Thomas Wins 13th SASBA Title!

In the Gary Pfeil Memorial Tournament, Pete Thomas shot 299-290-279-868 the last 3 games of qualifying to grab the lead entering the finals. In the finals, T.J. Johnson stayed close and held the lead a game or two, while Robert Dunaway got close enough to possibly win if the leaders faltered. Entering the last match, Pete led T.J. by 24 and Robert by 82. He had a 7-10 in the 2<sup>nd</sup> and chopped the bucket in the 5<sup>th</sup>, while T.J. stayed clean, but couldn't double. Robert started XXXX8/8/. Pete trailed T.J. by 20 and ran off a 4 bagger

through the 9<sup>th</sup>. T.J. finally doubled in the 9<sup>th</sup> and 10 and Robert's score was XXXX8/8/XXX through the 9<sup>th</sup>. If T.J. struck in the 11<sup>th</sup>, he would force Pete to get two more....but Robert could beat them both if T.J. won his match. T. J. left a pocket 7-10 in the 11<sup>th</sup>. Pete only needed one more to win the tournament and he got it...beating T.J. 220-207. Robert struck in the 10<sup>th</sup>... ending with 255... enough to go around T.J., but a little short of the win. Exciting stuff. Nice bowling to

all three. Charlie Mills got 4<sup>th</sup> and Bob Spaulding rounded out the top five.

Thanks to Tom and Dick Pfeil for their generosity and for letting us commemorate their brother Gary!

Our next tournament is a regular singles event at Emerald in Houston, TX. We're off two weeks, then we're having a 70/60/50/Guest four-some at Plano using the Swiss format. That tourney is limited to 48 teams and we have 36 already. Don't get shut out!

#### Jim's Notes

We had two new bowlers at Westcreek and one (Robby White) made the finals. Five Super Seniors made the finals and one (T.J.) bowled for the title. Bill Alexander left the lily. Ron Coggins is throwing it great again. Donny Yow just missed.

**Jim's Tip:** : Do you use a release on your spare ball, so that it goes perfectly straight (end over end) or do you use your strike ball release on a plastic ball? Often on house shots, your strike ball release is usually straight enough to suffice, but where you have some wet boards outside as at Nationals or this past weekend, it can cause you to miss some corner pins. Some of the pros don't

use plastic...just straight release on their strike ball. You can't beat the straight ball, end-over-end release for reliability and consistency, but it does take some practice. See your local coach for help if you want to change.
