## Out on The Twig

### Rick Lawrence/Joe Findling win Member/Guest Doubles in Lawton!

At Hog Pin Bowl in Lawton, OK, Rick Lawrence and Joe Findling qualified third, but grabbed the lead after two Baker games in the 10-game finals. The lead kept see-sawing with Pete Thomas and Stace Bohlender bowling well also. Entering the title game, Pete and Stace had to win the match by 3 pins to finish on top. They struggled to strike early and a pocket 7-10 put them 15 pins behind Rick/Joe in the 4th. Both teams struck in the 5th and 6th, but Joe extended the lead to 26 with a strike in the 7th. Pete and Stace bounced back with a double in the 8th and 9th and Rick spared in the 8th.

Joe struck in the 9th and entering the 10th frame, the title was still in doubt. A Jersey squasher by Rick ended the hopes of Pete and Stace and they emerged victorious 239-211. Mo Hestand and Steven Hauk got 3rd, Cordell Wilder and Brandon Williams got 4th and Don Richey and Anthony Lavery-Spahr rounded out the top five.

Thanks to Tony Faustner and crew for being gracious hosts. The lanes were fair and the scoring level was a little lower, but playable. The décor using old lanes, balls and pin decks is al-

ways a treat at Hog Pin. This is really a neat center to go to.

We had two new members bowl in Lawton. Dale Perry made his first finals.

Our next tournament is a SS/Guest Doubles at Cowtown Bowling Palace in Fort Worth, TX. Two weeks after that is the Age Bracket Tournament in Shreveport, LA. Horseshoe Hotel and Casino is sponsoring again and adding \$2500 to our prize fund. Qualifying and match play within your age group, then the survivor of each group will bowl for the title.

#### Jim's Notes

Jeff Janssen is throwing it great! We had 3 ladies bowl in the tournament and 1 mother/son team....Rene and James Fleming. Kulow almost made it.

**Jims Tips:** On flatter patterns than a normal house shot, spares are a premium. They are also more difficult if you try to use your normal moves. For example, if you normally move 5-6 right for a 2 pin (righthanders), this may not work on a flatter pattern. At Hog Pin, I saw 12-15 2 pins missed....equally to the right and left. If you don't throw it straight at your spares, then you need an additional set of adjustments for

flatter patterns.
