Rick Minier/April Ellis Run Away With Mbr/Ladies JDRF Doubles!

Rick Minier and April Murphy qualified 2nd, grabbed the lead in the 7th game of the 16 game Baker-style finals and gradually pulled away to win the JDRF Doubles at Plano Super Bowl in Plano, TX. Pete Thomas and Erin McCarthy shot huge in the qualifying, but struggled to win matches in the finals. Entering the last game, they were still in 2nd. 2nd thru 7th places were separated by only 100 pins. Minier/Murphy won their match. Donald Robinson and Brandy Sanderson defeated Mike Lynch/Lynda Barnes to jump to 2nd. Ken Johnson/Heather Whitney shot 275 to jump from 5th to

3rd. Thomas/McCarthy dropped to 4th and Lynch/Barnes finished 5th. Thanks to Jamie Brooks, Scott Craddock and C.J. Johnson for being gracious hosts. The shot was fair and held up well. The talent displayed by the ladies who bowl our tournament is amazing! Each year, these ladies put on quite a show with their striking ability. We raised \$18,799.50 for the Juvenile Diabetes Research Foundation. I personally want to thank all those who sold tickets and got prizes donated and the volunteers who donat-

ed their time to help. There were even non-SASBA members selling tickets. Mark and Belinda Busscher were awesome in their tireless efforts to raise money. Great job guys and gals! The Annual Championship next week concludes our statistical year. There is a new, fun format for the AC. No entries accepted on Friday! The first weekend in November, we'll see a lot of these ladies back at Plano again in our Annual Mixed Foursome. The following week, we'll be at Del Mar in Houston, TX for a regular singles.

Jim's Notes

300s were shot by McCarthy, Jennifer Hayes, Bobby Scott and Mark Estes. We had two husband/wife teams (Ensmingers, Leverichs) and 3 father/daughter teams (Woessners, Fravels and Gary Ezell and Britney Russell).

Jim's Tips: My version of Dr. Dean's Competition Cycle: Step 2 - Execution- You decided in Step 1 how you're going to play the shot, so walk up, toe your mark, exhale and GO! If you're taking longer than 13-15 seconds from the time you step on the approach till the ball hits the lane, it's too long. Waiting in your stance means tension building, pressure mounts, muscles tighten, negative thoughts can occur. You should have a trigger to start-It could be a 3-2-1 countdown, a big sigh

as you exhale... anything. Develop the same pre-shot routine on the approach for a strike as for a 5 pin. Remember, you will throw fewer bad shots from going too quickly than from waiting too long.
