Darrell Wood/Matt Cabanski Win Shootout in San Antonio!

Darrell Wood and Matt Cabanski qualified 1st on Saturday...thanks largely to Matt averaging 271 for the 8 game block. In the finals, they didn't carry as well early and lost the lead to Larry Kassner and Mitch Van Gundy. They regained the lead, lost it again, then found the secret to carrying again and built a 128 pin lead entering the title match. They put it away early and Larry and Mitch couldn't carry and dropped to third. Pete Thomas and Sean Lavery-Spahr finished with 279 to nab 2nd place. David Anthony and

Andy Patterson got 4th and Rick Lawrence and Joe Findling rounded out the top five. It was Darrell's first SASBA title.

Thanks to Bob Bruce and crew for hosting. The scoring was very high, but fair left and right.

300s were bowled in qualifying by Larry Kassner, DJ Archer and Scott Dodson. CK Moore, Harvey Kassner and Kurt Gengelbach all made their first finals. Kurt and Anthony Lavery-Spahr got in by defeating Dave Dupont and Kevin

Kurtz in a close rolloff after tying for 16th. When checks are issued below the last finals spot, high last game is the tie-breaker, but when only finalists are getting paid, a one game rolloff is necessary.

Our next tournament is a regular singles at Emerald Bowl in Houston, TX this weekend. Two weeks later is the member/member doubles at Cowtown in Fort Worth, TX and the following week, we'll have another member/guest doubles at Hog Pin Bowl in Lawton, OK.

Jim's Notes

Larry Kassner set a record by being the first to make the finals with a ball that was at least five years older than his partner (Columbia Vector)! Adam Martinez is the best backup bowler...ever! It was good to see Jeff Everman back out bowling again after a close call with heart problems last year! We had 7 first time bowlers at Astro.

Jims Tips: Bowling is all about repeating shots. When you try to max out your ball speed or rev rate, it's very hard to repeat and if you can't repeat, you can't ever get lined up well enough to be competitive in our group. The same applies to releases. If it's coming off your hand a little differently every third or fourth shot, you won't be able to string strikes or stay clean enough to stay up with the leaders. Stay

within yourself. Find a ball speed, rev rate and release you can repeat and you'll have more success.
