Greg Benefield Wins 1st SASBA Title at Shawnee!

Greg Benefield either held the lead or stayed close throughout Sunday morning and in the finals. Entering the title match, he was in 2nd...trailing qualifying leader, Vic Benedict by 40 pins. He would have to win by 11 pins to go around him. Vic started with a big split, then managed a double along with completing the cycle (7, 8, 9, 10 in the same game). Entering the 9th, he could strike out to insure at least a tie...losing by 10 pins. Vic left the dreaded lily, then doubled in the 10th, but Greg had enough with a 214 to Vic's 191. It

was the first title for Greg, who traveled from Kansas City to get there. Doug Hayes bowled steady to get 3rd place. First-time bowler Raif Terry finished 4th and Randy Bennett rounded out the top five.

Thanks to Chris Skillings and crew for hosting. This is a great center to visit, with modern scoring, fixtures and enormous arcade.

Tom Crawford (Tulsa) had the only 300 in qualifying, but Mark Scroggins, Robert Dunaway and

Benedict all shot a perfecto in the finals.

We had 6 first time bowlers at Shawnee. Terry Davis made his first finals. Scott Stofko got his first check.

Our next tournament is the Annual Non-Champs event at Cityview in Fort Worth, TX. The following week, we'll be in New Orleans for a 60/50/Guest Trio event. Then, we're back up to Denton Zone for a 70/60/50/50 Foursome Tournament.

Jim's Notes

Beavers bowled great! 87 yrs young O. D. Wingard is still everyone's idol, coming back from surgery to compete again and still grinding to shoot 224 in the 12th game.

Jim's Tips: It doesn't take much of a physical change to generate a longer swing without using more muscle. But, it does require changes in your muscle memory, so it's something you have to practice, not something you can do in the middle of the 7th game of qualifying. Try holding the ball 4" higher at address. It's only 4", but it will feel like 3'. Push from there and let it fall into the back-

swing and let it swing a little higher. Don't force it, let gravity power the swing and you'll find you've gained mph.
