## Out on The Twig

### Cordell Wilder Wins 1st SASBA Title!

At Brunswick Westcreek in Fort Worth, TX, Cordell Wilder qualified 2<sup>nd</sup> behind Mark Williams, grabbed the lead for a few games, but entering the title match trailed Mark by 15 pins. Pete Thomas was only 21 more pins back and Dale Eagle and David Anthony trailed by less than 100...still in reach with a big game.

Mark had carry problems early, then ran into some big splits. Dale and Pete both started with a split and started stringing strikes. David started XXXXX/X,

so 279 might get him close. Cordell couldn't strike early, but managed to stay clean. He finally got a double in the 6<sup>th</sup> and things looked up. Dale hung a 10 pin, then struck out for 257 forcing Pete to strike out to tie. He left a 10 pin...as did David. Another 2 strikes by Cordell and the title was his. Pete held on for 3<sup>rd</sup> and Mark fell to 5<sup>th</sup>. Congratulations CW!

Thanks to Barbara Avery and crew for hosting. This center is one of the cleanest we bowl in. The shot is more out-

side than most... requiring moves to the right for righties and to the left for lefties.

300s were shot by Tony Escoyne, Brad Hunter, David Bates, Williams, Jeff Janssen and Phil Kepner.

Our next tournament is the Gary Pfeil Memorial Recruiter Doubles at Cityview in two weeks. The following week is an all member foursome at Brunswick Zone in Denton. Let us know if you need a partner or team member for those tournaments.

#### Jim's Notes

Mike beat Butch! Barron just missed. We had three first time bowlers. Fuller and Watson made their 2<sup>nd</sup> finals in a row. Fuhrman was an animal on Saturday

**Jims Tips:** Are you using your practice shots in warm-ups wisely? I think it's smart to not only try to get lined up and loosened up, but throw different surfaces as well during practice. If you've got it set in your head that you're going to throw your new pearl ball no matter what, you could get locked in to a situation, where you don't match up. No carry, over/under, etc. when you go to the next pair. Throwing a pearl

surface with a long pin on heavy starting oil is rarely the best choice, yet I see lots of bowlers choosing to do that. At least, give the solids and particles a chance to shine during the warm-ups.

#### Friday Sweeper Results

1. Bill Alexander 524
2. Mark Williams 517
3. Pete Thomas 516
4. Robert Steed 514
5. Pete Thomas 513

**Notes:** The next tournament is the Member/Recruiter Doubles at Cityview. The Pfeil family are adding \$1000 to this tournament in memory of Gary. Please try and support this tournament. This is our best chance to make SASBA grow. After that we have a new format in March at Brunswick Zone in Denton. This will be an all-member foursome with a 70, a 60, and two 50's. The last two can be anyone over 50, but if they are both 50-59, they can't both be champions. It is filling up. Grab a partner and come on down to San Antonio at the end of March for a Member/Guest Doubles at Astro Bowl.
