SASBA Senior All Star Bowling Association

SASBA is a non-profit corporation owned by its members, formed to conduct scratch bowling tournaments for bowlers fifty and older and their guests. SASBA's first tournament was in Rosenberg, Texas in April, 1990 with 33 entrants. Since that first tournament, over twenty-five years ago, there have been more than 900 events. The membership has grown to over 400 bowlers from 23 states. SASBA is open to any bowler over the age of fifty (including PBA members) and there is no minimum average requirement. There is an initial membership fee of $60 and an annual renewal fee of $30 until age 70. Tournaments are held in Texas, Oklahoma, Louisiana, and Arkansas.

Part of SASBA's income comes from running brackets. Because of this, our policy is to allow other people to "enter" bowlers in brackets, if available. Additional brackets provide more income for the association. More income for the association means more "added money" for all tournaments, including the ones guests bowl in. Each bowler has first call on as many brackets as they want. Once they have entered as many as they want, someone else may put them in additional brackets, side pots, big boards, etc. The bowler is not entitled to a "tip" or share of the winnings, if any. They also aren't responsible for any losses incurred. The person entering them may give a "tip" if they wish, but it is their choice.

The tournaments are singles events with an entry fee of $200 or $240, depending on format and amount of added money as well as tournaments with other formats including doubles, trios, foursomes, and team events. There is a foursome mixed tournament, where many of the best women bowlers and younger men team up with our members. And, there are member-guest tournaments, where a member can bowl with a partner regardless of age or sex (even another member). There are trio formats and the bowling year is capped off with our annual team tournament where any member who has qualified by bowling in earlier events can bowl with other members in a team/individual match play format. The computer picks evenly matched teams based on individual SASBA tournament averages during the year.

There is a $20 sweeper with five or six squads on Friday afternoon before most every tournament. Some hosts run a Pro-Am on Friday night. This requires volunteers to bowl in the Pro-Am. The tournament schedule will be posted at the desk when you arrive. Please check with the tournament director to let them know that you are in town. Most centers have a special practice price for SASBA bowlers. There is a bowler's meeting, usually at 8:00 a.m. on Saturday. Newsletters, available on the SASBA web site (www.sasba.com), provide the starting times and other details for upcoming tournaments. Lane assignments are generally posted on the website by Thursday.

On the regular format, bowlers are divided into two squads. Each squad bowls an 8-game qualifying block on Saturday. "A" squad usually starts at 8:45 a.m. Saturday; "B" squad bowls at 1:30 to 2:30 p.m., after the lanes are re-oiled. The field is then divided in half by score and both groups bowl four more games of qualifying on Sunday morning. The lower half of the field starts at 8:45 a.m. and the upper half at 11:00 a.m. Saturday squads are determined by a blind draw, unless you have specific needs and can't bowl one or the other. The finals usually start at 1-2 p.m. Sunday (after re-oiling) with eight games of match play. The number of bowlers taken to the finals depends on the number of entries. Typically, 12 bowlers go to the finals for 59 or fewer entries, 16 for 60-79 entries, 20 for 80-99 entries, and 24 for 100 or more entries. When entries are low and lanes allow, we bowl all on one squad. In this case, the Saturday shift starts at 9:00 - 9:45 a.m., with eight straight games. Sunday morning, we start at 8:45 a.m. with four more games, and then the finals follow. Typically, there is no re-oiling before the finals when there is only one squad on Sunday morning. Thirty bonus pins are awarded for each win

in match play. The order of finish for the finalists is determined by total pins in qualifying and match play (twenty games total) plus bonus pins for match play wins.

One in three will cash, except for some of the $240 tournaments where one in two cash. First place will be at least $1,000. For Singles tournaments, Super Senior (age 60-69 and 70 and over) prizes will usually be awarded to some non-cashing Super Seniors based on the number of Super Senior entries. Typically, one Super Senior check will be awarded for every five Super Senior entries. Of these, one age 70 and over check will be awarded for every five age 70 and over entries. In addition, a check will be awarded to a non-cashing women for every five women entries. Special prizes will be awarded to some high Sunday block non-cashers.

SASBA's bowling courtesy rule works great when everybody follows it. First, be ready to bowl when you are up. When a bowler has rolled a ball on your pair, you must wait for a bowler on the pair to the left and the pair to the right to roll a shot, and then it is your turn. If you don't understand it, please ask. Once you are used to it, you will agree that it is the best courtesy rule in use. During practice, it is common courtesy to throw one shot at a time, not stand on the lane and wait to shoot your spare, as is common in many league practices. Your group can get a lot more shots if they don't have to wait on you to shoot your spare. If you want to shoot a 10 pin or some other spare, ask the person following you. They will usually consent, but it is his/her call.

Although SASBA tournaments are not USBC certified, USBC rules are followed unless specifically stated otherwise. Any USBC approved balls are okay, even before their release date. Plugged balls are okay. SASBA reserves the right to check any ball. Sanding or polishing balls after play has started will not be tolerated. However, it is allowed during the practice session. Cleaning balls during competition is only allowed to remove foreign substances (such as rubber from lift belts) from the ball surface (lane oil not included). A USBC certified cleaner must be used. You can wipe off lane oil with a dry towel. If there is doubt, bring the ball to the tournament director.

SASBA's dress code requires that all members have a shirt with their name on the back while bowling. Slacks only, no jeans or shorts and no headgear. Female members must follow the same dress code. Capri pants are allowed…as are knickers for men. Guests are encouraged to wear name shirts as well. Male guests must wear slacks. Female guests are allowed to wear slacks, walking shorts or skirts. Both must wear collared shirts or bowling industry sponsored mock T-shirts. No regular T-shirts or jeans will be allowed.

SASBA bowls on the house's tournament shot. We ask proprietors to try to achieve parity between the left and right side. Some shots will be easy and some will be tough. It's up to the house. To the extent possible, we will use the same number of pairs on each squad, using three on a pair as needed. In the case of a tie for the last spot in the finals of the tournament, high last game breaks the tie if more places are paid under the finals cashers. If there are no paid spots under the finals, then a one-game roll-off is used to break the tie.

Please mail or turn your entry in early. Entry forms are available in the Newsletters and on the SASBA web site. They should be mailed to: SASBA, 2321 E. Common St. #200, New Braunfels, TX 78130, Attn. Kathy King. If you need to withdraw before bowling begins because of an emergency, your entry will be credited toward a future tournament. No entries will be accepted after the bowler's meeting is completed.

Tournament Formats

Regular Singles Format (**Entry fee: $200)** - This format is open to all SASBA members. Qualifying consists of eight games on Saturday and four games on Sunday morning with the 12 game totals deciding qualifying position. The top qualifiers bowl eight games of match play with 30 bonus pins for winning each match. Total pins from both qualifying and match play determine the final order of finish. The regular singles format allows for 1 in 3 cashing, plus checks for non-cashing Super Seniors and high Sunday qualifying 4-game block. Some Super Senior tournaments using this format are scheduled as well.

Non-Champions Singles (**Entry fee: $200)** - This tournament requires bowlers to enter individually. All SASBA members (any age) who have not won a SASBA championship bowl together using the regular singles format.

Age Bracket Tournament (Entry fee: $240) – This tournament has three separate age brackets (50-59, 60-69, and 70+). One in three entries in each age group (up to 16) qualify for the Sunday match play finals based on eight games bowled Saturday. The finals in each age group consist of either head to head elimination matches or match play. Byes are allotted according to qualifying scores. The leaders in each age group are awarded a title. There also is a sweeper on Sunday morning for those who don't qualify for the finals (no additional entry fee).

Firecracker Tournament (Entry fee: $240) - There are two separate tournaments in the Firecracker Tournament...60 and over (Super Seniors) and 50-59 (Seniors). Qualifying is eight games on two separate days…depending on when July 4th falls. The top third, up to 16, in each tournament make the finals on the last day of the tournament. Seeding and byes are allotted according to qualifying scores. The finals is match play (two games, total pins)...double elimination. Everyone making the finals bowls at least two matches. The winner's bracket survivor bowls the loser's bracket survivor. The loser's bracket survivor has to win two straight matches to win the tournament. The winner's bracket survivor has to win one match for the title.

Annual Championship (Entry fee: $240) - This format is open to all SASBA members with at least one tournament bowled in the current year. Qualifying consists of eight games on Saturday with bonus pins each game for winning matches against two other bowers on your pair. Sunday, the top half of the field returns to bowl head to head elimination matches until a champion is determined. One in two cash and there is a second chance event Sunday for the non-cashers. There are no checks for Super Seniors or for high Sunday qualifying blocks.

Member/Member Doubles (**Entry fee: $200)** - This tournament format requires two SASBA members to enter as a team. Each team member bowls eight games on Saturday and their total pins are combined to determine their qualifying position. The qualifying teams (1 in 3 up to 24) return on Sunday for Baker doubles style match play games against the other teams with 30 bonus pins for winning each match. The winning team is determined by total pins from Saturday plus Sunday. Eligible teams consist of the following: 1) a non-champion and any other SASBA member, 2) any two SASBA members age 60 or above or, 3) any two champions if one is age 60 or above. No two PBA Tour champs can bowl together. No two Members with 10 or more SASBA titlists can bowl together.

Over 70/60 Doubles (**Entry fee: $200)** - This tournament format requires two SASBA members to enter as a team. Each team member bowls six games on Saturday and three games on Sunday and their total pins are combined to determine their qualifying position. The qualifying teams then bowl Baker doubles style match play games against the other teams with 30 bonus

pins for winning each match. The winning team is determined by total pins from Saturday plus Sunday. Eligible teams consist of a SASBA member age 70 or above and a SASBA member age 60 or above. No two PBA Tour champs can bowl together. No two Members with 10 or more SASBA titlists can bowl together.

Champ/Non-Champ Doubles (**Entry fee: $200)** - This tournament format requires two SASBA members to enter as a team. Each team member bowls eight games on Saturday and their total pins are combined to determine their qualifying position. The qualifying teams (1 in 3 up to 24) return on Sunday for Baker doubles style match play games against the other teams with 30 bonus pins for winning each match. The winning team is determined by total pins from Saturday plus Sunday. Team eligibility criteria: 1) a SASBA Champion of any age and a non-champ of any age or, 2) any two non-champs of any age. No two PBA Tour champs can bowl together.

Member/Guest Doubles Format (**Entry fee: $200) -** This tournament requires the bowlers to enter with their partner.
