

Magoo, Stephens, Johnson, Nation win Annual Mixed Foursome!

Bob McGregor, Jim Stephens, Chris Johnson and Stefanie Nation qualified first, then awaited the Baker step-ladder results to see who would contest them for the title. In the first match, the team of Butch Calvert, Donald Robinson, Johnathan Wiley and Lynda Barnes defeated John Martin, Mike Basket, Ted Pritts and Traci Davis 267-193. They then defeated Bob Troutt, Horace Childress, Sue Schellhardt and Kristopher Prather 195-158. The team of Mike Lynch, Paul McCordic, Paul Henderson and Alecia Henderson knocked them

out 265-226. In the title match, Magoo and company managed to stay clean early, then started stringing strikes in the 6th. Lynch's team had an early open, but started striking in the 3rd. Chris got up in the 10th and struck out for 256...forcing Henderson to get the first strike to win. He went high and Bob McGregor had his 36th title and Jim his 18th. Congrats and great bowling to all four.

Thanks to Mark Grimes and crew for being gracious hosts. This is always one of our best tournaments

and this year was no different. It's great to see all the great female bowlers executing to a high level and the game to game competition requiring a grind-out mentality in order to climb to the top. Our next tournament is the Age Bracket at Cityview the first weekend in December. Two weeks later is the Annual Team Tournament at Cowtown Bowling Palace in Fort Worth. The Yearly awards have been decided. Be there to see who wins?

Jim's Notes

For a change, the high avg. team won the tournament. By contrast, the 5th place team, the Eliminators, had the 30th high avg., proving that if you win the close ones, you can make the finals. 300s were bowled by Anita Arnett, Cedric Gaines, Charlie Mills, Chris Hayes, Chris Johnson, Dave Dupont, Doug Barron, A. C. Adam, Jim Stephens and Brandi Sanderson.

Jims Tip: In events such as these, when all styles are present and there are lots of high rev youngsters bowling inside of you, you cannot make small moves. You have to think "outside the box" and make bigger jumps when your shot breaks down. I suggest moving what you think is a board or two "too much", then throw a good shot. If you have moved too far, then the next adjustment is easy. But, you may

find that it was just right and if so, it didn't take you as long to catch up with the breakdown as moving a board or two at a time would have.
